

## PREPARE FOR TAKEOFF

### Dockem's iProp Makes Using Tablets on Any Surface Easier

The new iProp by Dockem is a unique, comfortable and versatile computing stand for your Apple iPad, or similarly sized tablet device which allows hands-free use by the micro-bead filled adjustable base. The iProp also comes with a durable sports mesh base that is made of breathable and washable polyester as well as a high-grade silicone shelf, about the size of a hand, to ensure the tablet stays in place. Flip the iProp over and it also doubles as a comfortable and portable pillow for those long trips in the car or on planes. MSP \$29.95. Silver and black. [www.dockem.com](http://www.dockem.com).

### LugLess

LugLess is the newest player in the burgeoning business of carriers who ship and deliver luggage to your final destination. For travelers fed up with high baggage fees, lost luggage, or simply carrying their luggage, a LugLess representative picks up your bags and sends it to your destination ahead of time. LugLess can ship luggage ranging from suitcases, over-sized bags, golf clubs, skis and snowboards, surfboards, bikes, and even strollers, directly to your vacation home or hotel room. If for some reason your luggage fails to arrive on time, the company guarantees free shipping and reimbursement of up to \$500 for temporary equipment rentals needed until your baggage arrives. LugLess offers flat rate domestic shipping starting at \$49 per bag anywhere in the US. Internationally, it's always less than FedEx or UPS and sometimes lower than airline baggage fees for the second, third, or fourth checked bag. [www.lugless.com](http://www.lugless.com).

### Sound Oasis Travel System ([www.sound-oasis.com](http://www.sound-oasis.com))

Sound Oasis Travel Therapy System is a unique sound therapy product that combines a high performance sound therapy digital system with a full-featured travel/alarm clock. Incorporating 18 digitally recorded sound therapy programs, including an exclusive jet-lag reduction sound, a voice memo feature and a unique "gradual off" volume reduction feature for a peaceful decrease in sound volume, Sound Oasis Travel allows users to drift off to sleep with soothing sounds and wake up to one of four alarm sound types (sound, jet lag reduction sound, voice memo or buzzer). Powered by 4 "AA" batteries or the included AC adapter, Sound Oasis Travel is ideal for use while traveling. Its compact size allows the unit to comfortably slip into briefcases, carry-on luggage or even one's pocket. Retail for \$89.99, it can be purchased online at [sound-oasis.com](http://sound-oasis.com), via phone at 1-866-625-3218 or at retailers throughout North America.

## ChapStick Sport Ready

New ChapStick® Sport Ready provides broad spectrum SPF 30, an advanced moisturizing formula and is water resistant up to 80 minutes. ChapStick® Sport Ready also features a convenient clip top that can easily attach to sports, diaper or beach bags. \$2.59-\$2.99.

## Aculief

The new Aculief clip helps promote energy by relieving built up tension that causes stress and headaches, particularly among travelers who sit for long periods of time. Aculief is designed to relieve tension by applying acupressure at points in the hand, a traditional Chinese Medicine method that restores the flow of energy in the body. Wearers can go about their active lives as they normally would while wearing the small clip. MSP \$29.95 <http://www.emsolutions.us/acupuncture-pain-relief/>

## RejuvaSocks in Argyle

The new RejuvaSocks in Argyle, Rose, and Herringbone are the businessman or woman's soon-to-be new best friends. These socks may look like dress socks, but they offer a cushioned feel similar to sports socks. With their sleek patterns, subdued colors, and comfortable build these designs make it easy to get through the day or night in style. Kelsey Minarik launched RejuvaHealth in December of 2010 after being diagnosed with Deep Vein Thrombosis.

## Cool-jams – Lightweight Sleepwear keeps travelers comfortable

Cool-jams are designed to regulate body temperature and help travelers get a sound sleep.

Made with a special micro-fiber that feels silky, it's also lightweight and most important, absorbs and evaporates moisture three times faster than material usually used for nightwear.

Cool-jams are naturally antibacterial and antimicrobial so they stay fresh and odor free.

In October Cool-jams is donating 10% from all sleepwear sales to breast cancer charities and another ten percent when customers use promo code PINK.

While the promotion is good on all sleepwear sales, there are several pink styles created for the promotion including the Sophia PJ set and the snap front.

## Kids suitcases

Just in time for holiday travel - Lassig announces the availability of the new Wildlife Collection—a brand new line of kids suitcases and various travel bags (in adorable animal designs) that all support the

Momella Foundations Sparkling Elephant Project—a conservation project focused on endangered wildlife.

Adorable animal colors and designs! I thought you might have interest. Happy to provide photos or sample product for editorial consideration.

The new designs feature elephants, lions, tigers, turtles, giraffe, rhino and ostriches in vibrant colors that children enjoy. The bags are all consistent with the Lassig legacy of marrying design and functionality like no other. The bags are made of eco-friendly materials.

The products can be found at [www.lassigusa.com](http://www.lassigusa.com), as well as specialty boutiques.

## Eye-hole

The Eye-Hole is a stylish and practical adjustable eyeglass necklace that sells for \$25 and is available in suede, braided leather, or polished cotton cords. Great for those who constantly lose their glasses because they take them on and off many times over the course of a day. Available at [www.eye-hole.com](http://www.eye-hole.com) and various retailers.

## Baxter Bowties

For the Well-Dressed Man (and woman)

Baxter Bowties represents the essence of the well-dressed gentlemen. It features a range of hand-made bowties, many of them personally made by the founder of the company, Austin G. Baxter. The solid-colored, striped and paisley prints are available for Christmas and Kwanzaa parties. The custom-ordered, silky bowties are perfect for fraternities, civic and church organizations and even fashion-forward women who love sporting a unique look. Visit [www.baxterbowties.com](http://www.baxterbowties.com).

## SunPass

SunPass Welcomes North Carolina Quick Pass Motorists to Florida Toll Roads

Motorists from Florida and North Carolina are now able to travel toll roads in each state using their Quick Pass or SunPass transponder to pay for tolls electronically.

The electronic toll systems in Florida (SunPass) and North Carolina (NC Quick Pass) are functioning as one, providing seamless operations for motorists who pay their tolls electronically. [www.Sunpass.com](http://www.Sunpass.com)

## Soaps

Soaps to Live By, a new sustainable company that makes handmade soaps. Each bar is handcrafted in the USA from organic ingredients and essential oils. The labels are tree-free and printed on Biostone, a fully compost-ready material. For every bar of soap sold, a tree is planted through a partnership with Trees for the Future. Words like joy, bliss, hope and shine are written on each bar of soap, and an inspiring quote on each label. [www.SoapstoLiveBy.com](http://www.SoapstoLiveBy.com)

## Modern Sprout

Modern Sprout windowsill planter boxes sustain themselves with their internal hydroponics system that waters and feeds plants without assistance. It comes in a solar or plug-in version that holds three plants. The planter has a three-quarter gallon water reservoir that only needs

to be checked every two-to-three weeks for most small herbs, veggies, fruits, flowers and plants. [www.modern-sproutplanter.com](http://www.modern-sproutplanter.com)
